<b>PROFILE</b>
----------------

Dr. Sheila MacNeil is trained as a sex therapist specializing in providing therapy for couples and individuals experiencing sexual dysfunction or concerns. She has conducted independent research and consulted on others' research in human sexuality, specifically in the areas of sexual communication, sexual problems, and sexual satisfaction. Dr. MacNeil's work has been published in peer-reviewed, scientific journals and textbooks on human sexuality. She is also a member of the Society for Sex Therapy and Research and the Canadian Sex Research Forum. She does not conduct forensic or court-ordered assessments or therapy; for these referral sources, please consult the APNS directory further.
